DECITECH™ A Series (cap mounted)

DEFENDER SAFETY

INDUSTRIAL GRADE HEARING PROTECTION
The A series hearing protection meets the ANSI S3.19 and S12.6 rating.

PATENTED DESIGN
Engineered from the ground up, we designed the A-series to be a leader in passive hearing protection. Every feature, pain-point and use case has been thought out and integrated during development.

LIGHTWEIGHT
Less than 1lb, these hearing protectors are great for long term use.

DURABLE
Made of high quality ABS and TPE, the A series are industry tough and easy to clean.

COMPATIBLE WITH OUR H1 AND H2 SERIES SAFETY HELMETS
Easily snaps into place in ours or any standard hard hats or safety helmet.

SKU	Color
DCT-A2-22	Yellow
DCT-A2-62	Black
DCT-A3-42	Red
