- Used to protect the surfaces of tile, hardwood floors, doors, windows, and cabinets from paint, dirt, spills and other debris that all occur during the final stages of construction, moving, or home projects

PART NO.	SIZE	COLOR
37023005	36" x 166' Roll	Brown
37023000	36" x 166' Roll	Red

White Corrugated Plastic Sheet

PART NO.	SIZE
PLS4896W4	4' x 8'

Pro Shield™

- All purpose hard surface protection
- Absorbs many times its own weight in liquids
- Leak-proof backing
- Slip-resistant, lightweight and flexible

PART NO.	SIZE
PS36100	36" x 100' Roll

Gatorshield™

- Absorbs spills without leaking through and risking stained floors
- GRIPSPOT slip-resistant walking surface
- Industry-leading tear and tensile strength to withstand the high traffic demands for use on commercial, industrial and residential projects
- Cold weather flexible to -40 ºF, high temperature stable to 240 ºF
- Roll Length: 100ft. Roll Width: 38in. Roll Coverage: 317 sq ft Roll Roll Thickness: 30 mils

PART NO.	DESC.
76888	38" x 100'

Aqua Shield™ Fire Retardant Surface Protection

MADE IN THE USA

- Up to 40 mil thickness
- Leakproof
- Dust-free protection
- Flame retardant

PART NO.	SIZE	MIL
87010	36" x 393'	10 mil
89186	36" x 186'	25 mil
