DEFENDER SAFETY

OPTIFENSE™ DVP2 Safety Goggles

PART NO.	DESCRIPTION
OF-DVP2-06	Clear Black Frame
OF-DVP2-05	Clear Orange Frame

- **Features**
  With a soft rubber seal, and adjustable elastic band, the DVP2 provides incredible comfort.
- These goggles are D3 rated, OSHA compliant and meets ANSI Z87+ standard.. Great for laboratory, construction and manufacturing.
- The DVP2 will not fog, allowing you to use these in any settings without compromise.
- The DVP2 was designed with vision in mind. With a wide angle view, you can see clearly and reduce optical distortion. (Does not fit over prescription glasses).
