PREMIUM HEAVY-DUTY WELDING GLOVES

5" gauntlet cuff for added protection
Reinforced thumb crotch and palm Synthetic thread is a blend of high performance material which is inherently stronger than cotton thread providing additional cut, abrasion, high heat and strength resistance

PART NO.	SIZES
53423	Large & X Large

SPLIT LEATHER WELDING GLOVES

Split leather palm and back, extended gauntlet safety cuff and self-hemmed welted seams for protection and durability. Cotton lining provides excellent moisture absorption.

PART NO.	SIZES
53433	Medium - X-Large

GOATSKIN LEATHER TIG/ STICK WELDING GLOVES

- Goatskin leather for maximum dexterity
- Unlined palm and long leather cuff
- Synthetic thread is a blend of high performance material which is inherently stronger than cotton thread providing additional cut, abrasion, high heat and strength resistance

PART NO.	SIZES
55210	Large - X-Large

FallTech 7039 WeldTech Premium Grade Full Body Harness

- Features Nomex® webbing with Kevlar® fiber core throughout shoulders, torso and legs for pliable user-comfort
- Nomex®/Kevlar® blend webbing delivers excellent burn and spatter resistance common in hot-work welding applications.
- Friction roller torso adjusters provide simple upper-body adjustment
- D-rings, mating buckle chest, and quick-connect leg closures are all durably finished with plated alloy steel construction
- Quick-connect buckles feature visual indicators showing positive connection

PART NO.	SIZE AVAILABLE
7039	Large / 2X-Large

Welding FR HARNESS 5PT., QCB CHESTND LEGS, BACK D-RING, AND SIDE D-RINGS

Para-Aramid/Aramid webbing, Para-Aramid stitching thread, Aramid label cover, Steel hardware, QCB steel chest, H style QCB Steel buckle leg straps, Back D-ring , Side D-rings, SRL Back Plate.
Meets or Exceeds ANSI Z359.11-2014. A10.32-2012

PART NO.	SIZES
H225101005	120-420 LBS.

- 9 oz., 30"
- Flame-retardant
- Sleeves sewn with Kevlar®

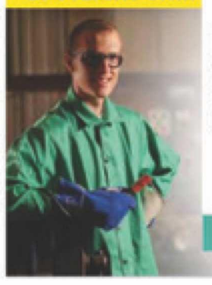
PART NO.	SIZE
64055163	X-Large
64055164	2X-Large

TruGuard™ 200 FR Cotton Welding Jacket

- **With its traditional look and fit, our classic 9 oz. FR cotton welding jacket offers reliable protection for light welding applications. 30"length.**

PART NO.	SIZE
F9-30	S - 6XL

SPOTLIGHT ON...



MORE COLORS. MORE STOCK.

The TruGuard™ 200 FR Cotton Welding Jacket is part of our "MORE INVENTORY" commitment. We have more inventory of more colors ready for immediate delivery. We're here when you need us.

Welding Sleeves

- Protects from sudden flame exposure, light duty welding and sparks
- 9 oz., 18" cotton sleeves
- Standard internal elastic at both ends

PART NO.
F9-18S

Medium Duty Welding Blanket

- 24 oz. gold fiberglass
- Gold 24 oz. acrylic coated fiberglass
- 1,000oF melting temperature
- .039" thick

PART NO.	COATING	SIZE
REV-NFG24	Acrylic	6' x 8'
REV-NFG24	Acrylic	6" x 8"
REV-NFG24	Acrylic	10' x 10'

Welding Screen

- 6' x 8', 14 mil.
- Flame-retardant vinyl
- Formulated to disperse arc image and allow light back into work area
- CFM approved

PART NO.	DESC
64-5198	FR Translucent Vinyl

QuickFrame™ Screen & Frame Combos

Durable black powder-coated ¾" ROUND tube framing.
Snap-fit design for quick and easy assembly without tools. Saf-Vu™ 14 mil translucent vinyl screen.
Meets requirements of NFPA 701 & California Fire Marshal (CFM).

PART NO.	
64-7168	Frame Only
